THE POLITICAL OFFENCE EXCEPTION TO EXTRADITION

THE DELICATE PROBLEM OF BALANCING THE RIGHTS OF THE INDIVIDUAL AND THE INTERNATIONAL PUBLIC ORDER

Dr. Christine Van den Wijngaert
# Table of Contents

Preface VII

Foreword IX

Table of Contents XIII

List of abbreviations XIX

**CHAPTER I. GENERAL INTRODUCTION**

1. *The political offence exception* 1

2. *Historical analysis* 4

3. *The political offence exception in the contemporary political context* 18

**CHAPTER II. THE POLITICAL OFFENDER** 27

1. *The political offender: typology and distinctions* 27

1.1. The political offender, the pseudo-political offender and the political refugee 27

1.2. The ideologically motivated offender 28

1.3. The positive, "upgraded" image of the political offender and better treatment 29

1.4. The theoretical approaches to the "political offender": a multidisciplinary survey with possible legal conclusions 33

2. *The legal position of the political offender in extradition law* 37

2.1. Introduction 37

2.2. The requested person as the "object" of extradition proceedings 38

2.3. The legal meaning of the political offence exception with respect to the requested person 42

2.3.1. A binding rule under international law? 43

2.3.2. A legal protection for the individual? 48

2.4. The requested person and alternative extradition procedures 50

2.4.1. Typology and distinctions 50

(i) abduction or kidnapping 51

(ii) disguised extraction 52

(iii) informal or *de facto* surrender 53

2.4.2. Legal implications of the use of alternative extradition procedures 54

(i) the legality and legitimacy of alternative extradition procedures 54

(ii) impact of the use of alternative procedures on the competence of the courts in the requesting state 59

(ii) the rights of the individual subjected to alternative extradition procedures 62

XIII
3. The influence of other legal disciplines on the legal position of the political offender in extradition law

3.1. Introduction

3.2. The political offender and the law of asylum
3.2.1. The legal sense of the right of asylum
(i) Asylum, a right of the state or a right of the individual?
(ii) The scope and content of the right of asylum
3.2.2. The influence of the law of asylum on the legal position of the political offender in extradition law

3.3. The political offender and the law relating to the status of refugees
3.3.1. The legal sense of the non-refoulement principle
3.3.2. The influence of the non-refoulement principle on the legal position of the political offender in extradition law

3.4. The legal embodiment of humanitarian asylum and of the principle of non-refoulement in extradition law: the discrimination clause
3.4.1. The legal sense of the discrimination clause
3.4.2. The influence of the discrimination clause on the legal position of the political offender in extradition law

3.5. Other human rights rules and the legal position of the political offender

CHAPTER III. THE POLITICAL OFFENCE

1. The problem of defining the term 'political offence'
1.1. The elasticity of the concept
1.2. The functional character of the term 'political offence' and the resulting discrepancy between its legal and sociological meanings
1.3. The discrepancy between the domestic and the international significance of the term 'political offence'
1.4. The ambiguity of the concept 'political crime'
1.5. The absence of definitions in extradition acts and the principle of unilateral characterization

2. The positive approach: the definition of the concept 'political offence' in extradition law and practice
2.1. Terminology and distinction
2.1.1. The terminological confusion
2.1.2. 'Purely' political offences
2.1.3. 'Related' political offences
2.2. The Anglo-Saxon approach: the political incidence theory
2.2.1. Great Britain
2.2.2. The United States
2.2.3. The Irish Republic
2.3. The 'Continental' approaches

2.3.1. Objective, subjective and mixed theories
(i) the objective approach
(ii) the subjective approach
(iii) the mixed approach
2.3.2. The proportionality theory

3. The negative approach: the exceptions to the political offence exception and the restrictive interpretation
3.1. The 'depoliticizing formula' and the formula of the 'exception to the exception'
3.2. The exceptions to the political offence exception: the formal limitations to political asylum in extradition acts and treaties and the restrictive interpretation by courts and legal writers
3.2.1. The ‘attentat clause’
3.2.2. The ‘unqualified attentat clause’
3.2.3. International crimes
3.2.4. Genocide and crimes against humanity
3.2.5. War Crimes
3.2.6. Collaboration with the enemy
3.2.7. International terrorism
(i) the ‘anti-terrorist’ treaties of the United Nations
(ii) the Council of Europe’s Convention on the Suppression of Terrorism
(iii) ‘terrorism’ and the political offence exception in practice
3.3. The negative approach and its alternative: the principle ‘aut dedere aut judicare’

CHAPTER IV. BELGIUM AND THE POLITICAL OFFENCE EXCEPTION: CRITICAL ANALYSIS OF JUDICIAL AND ADMINISTRATIVE PRACTICE

1. Introduction

2. Judicial and administrative practice
2.1. The Russian refugees at the beginning of the century
2.2. The Italian pro- and anti-fascist refugees in the inter-war period
2.3. The wartime collaborators after the Second World War
2.4. The Algerian refugees: resistance fighters or ‘terrorists’?
2.5. Belgium and the extradition of ‘terrorists’
2.6. Belgium and the extradition of political refugees

3. Critical appraisal and proposals de lege ferenda
3.1. Decision-making on the judicial level: the advisory opinions of the Chambres des Mises en Accusation of the Courts of Appeal
3.2. Decision-making on the administrative level
3.3. Proposals de lege ferenda
3.3.1. The improvement of the position of the requested person
3.3.2. A better protection of international public order
CHAPTER V. CONCLUSION, CRITICAL ANALYSIS AND PROPOSALS DE LEGE DESIDERATA

1. Critical analysis of the political offence exception in theory and practice of extradition law
   1.1. The confusion in the application of the rule
   1.2. The impact of political elements on the administrative level of the decision-making process
   1.3. Characterization: the crucial element of determining the liability to extradition for political crimes
   1.4. The progressive infiltration of two conflicting tendencies within and without the framework of the political offence exception
   1.5. The absence of a global international criminal justice policy vis-à-vis political criminality

2. The political offence exception: an anachronism? Critical analysis of its classic rationale in light of the requirements of an international criminal justice policy
   2.1. An anachronism?
   2.2. Critical appraisal of the classic rationale of the political offence exception
      2.2.1. The political offence exception and the requested person
      2.2.2. The political offence exception and the states concerned
      2.2.3. The political offence exception and the international public order
   2.3. Conclusion

3. A proposed alternative solution to the problem of the political offence exception: proposals de lege desiderata
   3.1. The proposed system
   3.2. The rights of the requested person
      3.2.1. Definition
      3.2.2. Practical application
         (i) humanitarian asylum
         (ii) the principle of non-refoulement
         (iii) the discrimination clause
   3.3. Aut dedere aut judicare
      3.3.1. The problem
      3.3.2. Theoretical background
      3.3.3. Practical application
