ANNUAL REPORT " FOUDATION ALOEBOETOE et al "

JANUARY - DECEMBER 1996

The structure of the Foundation did not change during the course of this year and constitutes the following persons:

Mr. A.R. Tjong A Hung Chairman

Mr. A.J.Brahim Vice - Chairman

Mr. R.R. Vrede Secretary

Mrs. I.Labadie Treasurer

Mr. J.C. de Miranda Vice - Treasurer

Mr. A.H. te Dorsthorst Member

Mr. J.Kent Member

Also Miss Merina Eduards remained the only part-timer on the payroll of the Foundation. She graduated from the University of Suriname and has a full time position at this University.

The Foundation convened only twice during this year and discussions were focused on the compensation payments to the beneficiaries and to reply to the notes received (see Correspondence). Also, upon request of the Ministry of Foreign Affairs, information was provided concerning the Foundation's activities in this case.

The 1995 report was dispatched much later than the date of release due to circumstances for which the Foundation apologizes.

Some of the youngsters have reached the age of 21 or have started a family life and are therefore qualified as an Adult. The adults (parents & wives of the victims) have now collected some 94 % of their total allotments. Only Adame Aoedoe or her beneficiary must collect some us US\$. 18.146,=; to date the incumbent did not show.

The mother or foster parents of the minors continue to reveive a small payment to cover urgent expenses on behalf of the child. The minors thus received some 17 % of their total compensation either as an allowance to cover urgent expenses or as a total compensation due to reaching the Adult status (see Annex Compensation to the beneficiaries 1994-1996).

In her recent meeting, the Foundation decided to continue this small payments to allow the custodians the needed finance to combat expenses.

1 of 2

In the meantime the term deposit remained in effect and yielded interest. A total interest of US\$.8.190 over 1996 was credited to this deposit for the benefit of the minors. Also the Foundation can collect a 10 % from this yield for her exploitaion costs (see attached note CDH 10.150 / 385 of september 10, 1993) from the IACHR.

Contrary to the Foundation's intension no visit was made to Guyaba during this year . Some of the incumbents moved to other villages or to Paramaribo and thus scattered and difficult to meet due to our limited finance.

The Foundation again received the kind and Pro Deo services from the bureau " ERNST & YOUNG SURINAM ACCOUNTANTS " for this annual report, attached, for which the Foundation is very grateful. Also appreciation is expressed for the good services of the SURITRUST.

The Committee of the STICHTING BEHEER FONDSEN ALOEBOETOE E.A. PARAMARIBO

Paramaribo, May 15, 1997

Madam, dear Sirs,

1. REPORT OF THE AUDITORS

We have audited the 1996 financial statements of the Stichting Beheer Fondsen Aloeboetoe E.A. at Paramaribo, as included in this report. These financial statements are the responsibility of the foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements give a true and fair view of the financial position of the foundation as of 31 December 1996 and of the net balance of operations for the year then ended in accordance with generally accepted accounting principles.
