More than 70 officials will take part in this training process, including Judges, agents of the Attorney General's Office and other important actors working to protect human rights in this country, and they will be able to increase their knowledge of the Inter-American System of Human Rights and the principal case law standards. The Course forms part of the project "Strengthening the Protection of Human Rights and the Rule of Law through jurisprudential dialogue, optimization of capacities, and compliance with the Judgments of the Inter-American Court of Human Rights in El Salvador, Guatemala and Honduras" signed by the IACtHR with the Swiss Agency for Development and Cooperation (COSUDE).
